U.S. 150 lane closure in East Peoria begins Nov. 12

EAST PEORIA – The Illinois Department of Transportation announced that the left lane of westbound U.S. 150 (War Memorial Drive) as it approaches the McClugage Bridge in East Peoria will close Nov. 12.

The closure is necessary to accommodate ongoing construction on the new eastbound McClugage Bridge and is expected to last about a month.

Motorists can expect delays and should allow extra time for trips through this area. To avoid the work area, when feasible, use of alternate routes should be considered. Drivers are urged to pay close attention to changed conditions and signs in the work zones, obey the posted speed limits, refrain from using mobile devices and be alert for workers and equipment.
